Healing Garden

Sometimes it is difficult to find the words to acknowledge the special people and moments in our lives. How do you express the joy of a newborn child? The grief over the loss of a loved one? The gratitude for a lifetime of support and friendship?

HRRMC's newly redesigned Healing Garden, located by the hospital's main entrance, offers many unique opportunities for honoring the special people and occasions in our lives. You can create a lasting memory by purchasing a bench, chair, tree or other garden feature from the list of giving opportunities that follows. For donations at the Bronze level or higher, a bronze plaque inscribed with your personal message will be placed on the garden feature you select.
