

SLEEP MEDICINE PROVIDERS

Corrine Size, FNP-BC, is a board-certified Nurse Practitioner. She is passionate about assisting patients with their sleep needs and applies her extensive experience in

otolaryngology to patient's individual needs. While working closely with our board certified sleep physician and participating in ongoing education, she continuously searches for current, efficacious, and safe interventions to optimize patient outcomes.

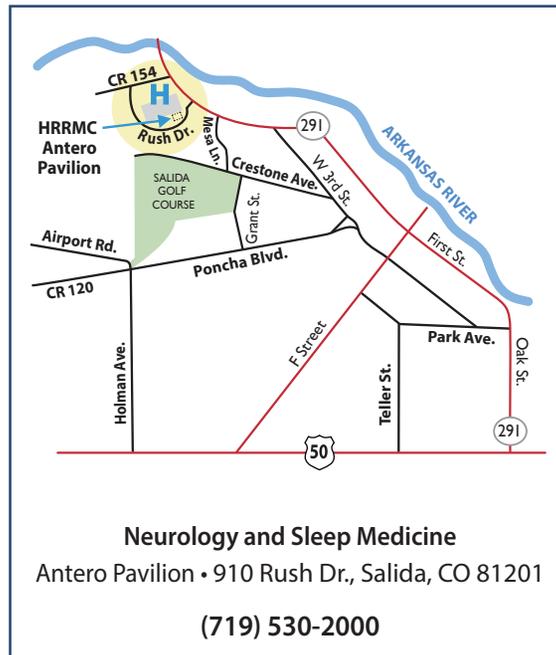

Education: Regis University, Denver, CO

PAYMENT

- Payment/copy is due at time of service.
- There will be a fee for your visit. Other services, including lab tests, will be billed in addition.
- You may request an estimate of charges at time of service.
- Medicare patients of the HRRMC Antero Pavilion in Salida will receive one explanation of benefits—clinic charges will be added to any hospital charges that may be incurred on that same day. Medicare patients are charged the same amount as non-Medicare patients, but the bill is broken down differently for Medicare reimbursement.
- A 15% prompt-payment discount is available to self-pay and uninsured patients.
- We accept cash, check, Visa, Mastercard and Discover.
- Claims with most insurance plans are filed on your behalf.
- Structured payment plans are available.
- Billing questions may be directed to account representatives by calling (719) 530-2475.

POLICIES AND PROCEDURES

- For EMERGENCIES, call 911 or go to the nearest hospital emergency room.
- Contact your pharmacy directly for all refills and renewals of medications. Allow 72 hours for processing. Only first-time prescriptions and narcotic refills are generated from our office.
- All test and laboratory results are communicated back to the patient as promptly as possible.
- When leaving a message, please spell your name and provide date of birth, phone number, and a detailed request, including level of urgency. After hours, if you have an urgent healthcare need, please contact the HRRMC Emergency Department at (719) 530-2157.
- If you are unable to keep an appointment, please give 24 hours notice of cancellation.

NEUROLOGY AND SLEEP MEDICINE

WELCOME TO HRRMC NEUROLOGY AND SLEEP MEDICINE

HRRMC's Neurology and Sleep Medicine clinics specialize in the diagnosis, treatment and management of disorders of the brain and nervous system, and in the diagnosis and treatment of sleep disorders. We offer general and inpatient neurology consultations, electroencephalograms (EEG), electromyography (EMG), and treatment for epilepsy and seizure disorders, headaches, and more.

■ Appointments

Call (719) 530-2000 to make an appointment.

■ Hours

Monday–Friday, 9 a.m. – 5 p.m.

Patients may call to schedule appointments on Friday, but no Neurology Services staff will be on-site for questions.

For emergencies, call 911 or go to the nearest hospital emergency room.

Please call only during normal business hours (Monday-Friday) for prescription refills. Contact us at least 48 hours in advance for refill requests.

■ Our Facility

Neurology and Sleep Medicine is located in the Antero Pavilion on the hospital campus.

NEUROLOGY MEDICAL PROVIDERS

Yvonne Rollins, M.D., Ph.D., is a board-certified neurologist with subspecialties in electrodiagnostic and neuromuscular medicine. She relocated to Salida in 2016 after working at the Regional West Medical Center in Scottsbluff, Nebraska, for five years. Prior to

that, she was an assistant professor in the Department of Neurology at the University of Colorado, Denver. She was one of the department's neuromuscular specialists and clinical-trial investigators.

Dr. Rollins is a member of the American Academy of Neurology.

Specialty: Electrodiagnostic and neuromuscular medicine

Medical School: University of Colorado, Denver

Internship: University of Colorado, Denver

Residency: Neurology, University of Colorado, Denver

Fellowship: Neuromuscular medicine, University of Colorado, Denver

Jeff Ferrier, M.D., comes to HRRMC after his work as a Neurology Resident at Swedish Medical Center in Englewood.

He enjoys running, playing foosball, juggling and performing stand-up comedy.

Medical School: University of Colorado School of Medicine, Aurora

Residency: HCA Swedish Medical Center, Englewood

Areas of interest: Genetic counseling of patients with genetic or neurodegenerative disorders

Kory Lowe PA-C, is a board-certified physician's assistant. He has worked in inpatient and outpatient neurology clinics and settings, in large urban areas such as Atlanta, Ga., and more recently within the UCHealth system that spans across Colorado and Wyoming.

Education: Emory University, Atlanta, GA

Tyler Stone, DO, MS

See sleep medicine below for Dr. Stone's profile.

SLEEP MEDICINE PROVIDERS

Located in the Outpatient Pavilion, the Sleep Medicine clinic offers patients a way to be tested, diagnosed and treated for various types of sleep disorders, including sleep apnea, insomnia, circadian rhythm disorders, restless leg syndrome, sleepwalking, narcolepsy and others.

Tyler Stone, D.O., MS, is a board-certified physician with specialties in neurology and sleep medicine.

Medical School: Doctor of Osteopathic Medicine, Nova Southeastern University, Fort Lauderdale, FL

Residency: St. John Maccomb-Oakland Hospital in Neurology.
