

PAYMENT

* We accept Medicare, Health First Colorado (Colorado Medicaid) and most insurances.

1. Payment/copay is due at time of service.
2. There will be a fee for your visit. Other services, including lab tests, will be billed in addition.
3. You may request an estimate of charges at time of service.
4. Medicare patients of the HRRMC Saguache Health Center will receive two explanations of benefits—one for the office visit/procedures and one for any additional diagnostic services.
5. A 15% prompt-payment discount is available to self-pay and uninsured patients.
6. We accept cash, check, Visa, Mastercard and Discover.
7. Claims with most insurance plans are filed on your behalf.
8. Structured payment plans are available.
9. Billing questions may be directed to account representatives by calling (719) 530-2475.

Pharmacy Services

After seeing your provider, you may have prescriptions that need to be filled. These will be available for pickup at the HRRMC Saguache Health Center Tuesdays, Wednesdays and Thursdays of each week.

There are several ways to enroll with the HRRMC Pharmacy:

- Call (719) 530-2430.
- Visit hrrmc.com/services/pharmacy and create an account.
- Download our HRRMC Pharmacy mobile app on the Apple Store or Google Play.

On the HRRMC Pharmacy mobile app, you can manage your prescriptions, order refills, and receive notifications when your prescriptions are ready for pickup.

For any additional pharmacy questions, please call (719) 530-2430.

HRRMC Saguache Health Center

HRRMC Saguache Health Center
405 Denver Avenue, Saguache, CO 81149

(719) 655-2531

WELCOME

HRRMC Saguache Health Center provides comprehensive medical care for the entire family.

Clinic Services

- Primary care
- Family medicine
- Obstetrics
- Rehabilitation services, including physical therapy
- Pharmacy prescription pickup
- Department of Transportation (DOT) physicals
- Walk-in flu vaccination available every Wednesday afternoon
- Direct Access Testing

Rehab Services

The HRRMC Rehabilitation Department assists individuals who require physical therapy due to injury, illness or surgery. Physical therapists improve mobility, and help patients manage or eliminate pain, in many cases without long-term use of prescription medication and exposure to its side effects.

Our physical therapists provide a wide variety of the following services:

- Acute care and home health
- Pain management
- Trigger point dry needling
- Orthopedic therapy
- Dizziness and balance therapy
- Sports rehabilitation
- Home safety assessments
