Sliding-fee Payment Scale

Salida Health Center is a National Health Service Corps (NHSC) site. As an NHSC site, the clinic has a sliding-fee payment scale for self-pay and uninsured patients based on income and family size. The scale provides discounts to patients with incomes up to 250 percent of poverty level. An application form (available at hrrmc.com or at the clinic front desk) must be completed for each visit. For more information about the sliding-fee payment scale, call (719) 530-2022 or visit hrrmc.com and click Health Centers -> HRRMC Salida Health Center.
