To protect the safety of patients, visitors and staff during the coronavirus (COVID-19) pandemic, Heart of the Rockies Regional Medical Center has put these precautionary measures in place for visitors.

**Visitation**
- One screened visitor is allowed per patient daily. All visitors must wear a mask when entering the building.
- Visitors will be screened as they enter the building. Screenings take place between 8 a.m. -4:30 p.m., 7 days a week.

**Screenings**
**Weekdays:** Staff posted at the hospital entrance will screen visitors and take your temperature.
**Weekends:** Please go to the ER registration area. A staff member will ask you screening questions, and your temperature will be taken at the nurse's station.
- Visitors can stay past 4:30 p.m. as long as they have already gone through the screening process.
- Outdoor visitation is also allowed. Please coordinate timing and details with the inpatient unit and primary nurse by calling (719) 530-2454.
- If you are delivering items for a patient after hours, please state this as the reason for your visit, and a staff member can bring items up to the patient for you.

**Cafe and Food**
- One screened visitor is allowed access to the cafeteria. Visitor must pick up a ticket from the nurse's station and will be escorted through the line by a dietary aide to receive food and pay.
- Food cannot be consumed in the cafeteria, but visitor can return to the patient's room to eat.

**Well Baby Checks**
- Both mom and one support person are allowed to enter the facility for a well-baby check. Both must be screened as they enter the facility.

For any visitor-related questions, please call (719) 530-2454.
