This Historic Walking Tour is a venture of the Saguache Downtown Revitalization Project (SDRP) a partnership between the Town of Saguache (www.townofsaguache.org) and ScSEED (www.scseed.org). The 4th Street Business District was named to Colorado Preservation Inc.'s 2009 list of Most Endangered Places in Colorado.

We would like to thank the family of Cecil Hall for allowing us to use his wonderful historic walking tour as a guide to creating this revised document. We would also like to thank Nick Albrecht for sharing his historic document research; and finally to Front Range Associates, who compiled the Town Of Saguache and Cochetopa Corridor Historic Resources Survey, 2000.

Cecil Fraser Hall was born in Saguache on February 2, 1924 and lived there much of his life until his death in 2006. His fascination with stories of the town's early days are captured in "A Walking Tour of Main Street," a booklet he wrote and published that contains his wonderful stories of the people and buildings along 4th Street. You can purchase a copy of his tour from the Saguache County Museum. From 1995 to 2000, Cecil also wrote "Remember When?" - a series of more than 125 articles for the Saguache Crescent that chronicled local history. These are available online at <http://www.angelfire.com/home/scpl/rememberwhen/contents.html>
